Sir,

Subject - Regarding the pay of the water supply fitter
in the Kadur Municipality

In forwarding herewith the file of records ending with the Kadur Municipal Presidents' report o C R 99/40-41 dated 26-7-'41 on the above subject, I have the honour to state as follows -

Government in their order o L 8098-100/11 58-37-79 dated 30th March, 1938, accorded sanction to the continuance of the post of a water supply fitter on Rs 30/- per mensem and the posts of three watchmen on Rs 9/- each per mensem, in the Kadur Minor Municipality

Consequent on the death of the previous fitter, the Municipal President was permitted to appoint a person temporarily on a pay of Rs 20/- or Rs 25/- per mensem Accordingly, one Albert was appointed temporarily on 18-2-1937 on a pay of Rs 20/- per mensem This official is being continued till now

On the representation of the fitter, Albert, requesting that his pay may be raised to Rs 30/-, the Municipal Council resolved at their meeting held on 28-1-1941 that he may be paid a monthly salary of Rs 30/-, considering the heavy work turned out by him to the satisfaction of the Council

The Municipal President has reported that the work of the fitter is satisfactory and recommends that he may be given the sanctioned pay of Rs 30/- per mensem Though the fitter has not undergone any training in recognised institutions, he has said

Pay of water fitter works fitter —
Kadur Minor Municipality
HC 10-100 of 1941-42

said to have considerable experience of the work. He has
also produced certificates from his former employers—
copies of which are enclosed.

In the circumstances, I request that the sanction
of Government may kindly be obtained for the continuance
of the Fitter on the sanctioned scale of Rs 30/- per mensem.
